USDA Club Sponsor Statistics Course

A short course in statistical methods for research workers in the agricultural sciences was conducted by Dr. E. L. LeClerg, who was here last week under the auspices of the Everglades USDA Club.

Dr. LeClerg, director of Biometrical Services, Agricultural Research Service, U. S. Department of Agriculture, at his first lecture pointed out that his agency provides both consultation and computing services for research scientists of ARS. He emphasized that this is no small task since ARS employs over 3,000 scientists in some 250 field locations in the U. S. and in other countries.

In his lecture he emphasized the increasing need for agricultural research workers to appreciate the basic philosophy of the statistical approach. In his three hour lecture periods each day during the week he presented fundamental concepts of statistical theory and methods of calculations. A regular post graduate course was presented in this on statistics.

Dr. LeClerg was introduced to the group by Dr. E. H. Todd, President of the Everglades USDA Club and Plant Pathologist at the USDA Sugarcane Field Station, Canal Point. The Everglades USDA Club includes employees of the U. S. Department of Agriculture in the Belle Glade, Pahokee, Canal Point area and cooperators at the Everglades Experiment Station.

Those enrolled in this course were M. H. Byrom, Hiram Whittemore, Carolyn Glover, Dorothy O'Neal, M. Irene Doub, F. D. Wilson, E. O. Richey, P. H. Duckelman, Donald Waddell, Weldon Cardin, E. R. Rice, Ronald Jones, D. W. Fishler, J. F. Joyner, Ferdinand LeGrand, H. L. Chapman, W. G. Genung, V. E. Green, Jr., E. D. Harris, J. R. Orsenigo, Carl Grassl, Victor Guzman, Emil A. Wolf, E. H. Todd, C. C. Seale, J. R. Gifford, Dee Maxson, Thomas Bregger and B. A. Belcher.

DeSoto in 1540 found corn already under cultivation in the Florida territory.

this is your FLORIDA

Florida's history, older than that of any other American state, is filled with excitement, intrigue, and romance.

Almost stranger than fiction, the history of Florida is rich and varied enough to provide plots and background for countless numbers of thrilling novels and exciting adventure stories. The fact that it is not a fictional account or make-believe, gives the story of Florida an added touch of allure.

Conquistadors, soldiers of fortune, Indians, pirates, military and political leaders, robber barons, gangsters, deposed dictators, sportsmen, gamblers, industrialists, land promoters - all have left their imprint on Florida. Almost from the moment in 1513, when the white-sailed caravels of Ponce de Leon reached Florida's green shores, until now, when we stand as the gateway to Latin America, Florida has played an important role on the national and world scene.

The early explorers - Ponce de Leon, de Narvaez, de Soto, de Luna - came seeking gold, glory, converts to the Church, and perhaps, even a spring whose waters could make the old young again. Plunging into the maze of Florida jungle and swamp, they risked their reputations and fortunes and sacrificed their lives in their greedy quest for treasure.

Gold and silver were never found, but eventually it was realized that timber, naval stores and agricultural produce were treasures of greater value. Pedro Menendez de Aviles, who founded St. Augustine in 1565, dreamed great dreams for Florida, and he thought that the area could be so developed that it would indeed become but a suburb to Spain.

The value of Florida was not lost on the French and British, and many efforts were made to seize this land from Spain. Once, the French planted a small colony, Fort Caroline, at the mouth of the St. Johns River, but it was captured, and the settlers, including Jean Ribaut, were killed. The English were more successful and eventually they forced the Spanish to retreat south of the St. Mary's of the settlers, including Jean Ribaut, were killed. The English were more successful and eventually they forced the Spanish to retreat south of the St. Mary's and even threatened to seize

Frances Fontaine On Dean's List

Miss Frances Fontaine made the Dean's list, with straight A's, receiving honor with honors at Nazareth College, Nazareth, Ky. She is the daughter of Mr. and Mrs. Charles Fontaine and is a sophomore.

Little Services Conducted Monday

Last rites for John Thomas Little, 88, of N. E. Ave. C. Place who died Saturday morning at the local hospital following short illness, were conducted Monday at 9 p. m. at North Baptist Chapel with the Rev. Edward Straner, pastor, officiating. Burial was at Port Mayaca Cemetery.

He came here from Albany, Ga., 18 years ago and was a member of the Baptist Church. Survivors include two sons, Robert Moore, Pompano Beach and Rudolf Moore, Jacksonville, and one niece, Mrs. Willie Lassiter, Belle Glade.

Funeral services were held at the home of William-Wetherington Funder at home was in charge of arrangements.

High Income Groups Save Trade Stamps

Stamp saving is more prevalent in high income groups than in modest income groups, according to a nationwide poll conducted last summer by Benson and Benson, Incorporated, an independent research firm.

The study which was made for The Sperry and Hutchinson Company, the trading stamp firm, also shows that stamp saving is greater among better educated groups.

According to S & H economist Eugene Beem, the survey revealed that 68 percent of families with incomes under \$3,000 a year save stamps, 80 percent of families earning \$7,000 and more save stamps.

Lake Harbor Methodists Credit Growth Of Church To Pastor, 80

NOW IN HIS 53rd YEAR AS PASTOR Rev. Nicola Di Stefano is pictured with Dr. H. W. Blackburn, District Superintendent of West Palm Beach, following dedication services for the new Sunday School addition to the Lake Harbor Methodist Church.

The new Sunday School rooms addition to Lake Harbor Methodist Church recently completed and dedicated, confirm the faith and reward the efforts of the pastor, Rev. Nicola Di Stefano.

Members give full credit for the growth of the church to their pastor, who came out of retirement at the age of 68 to give leadership to the mission church. He cleaned up and landscaped the overrun church yard, repaired and painted the church, improved the parsonage and soon captivated the entire population. Within a year, the mission church became self-supporting. An abandoned railway car was converted into four classrooms, made necessary by the growth of the church, in 1952 and dedicated to that use in 1954.

Dr. Di Stefano's evitable record of service (53 years) is further complimented by the fact that after eleven years as pastor for the Lake Harbor

GLADES CHURCH NEWS

The Herald welcomes news items from your church each week. Call WYman 6-2024 not later than Tuesday noon for publication Thursday.

KATHLEEN LIVINGSTON, Church Editor

Holy Name Men Plan Big St. Patrick's Day Celebration

The St. Philip's Holy Name Society comprising membership from Belle Glade, Pahokee and Indiantown will hold their annual St. Patrick's Day Barbecue at the Belle Glade Country Club, Saturday, March 18 at 7 p. m.

A steak supper will start the festivities, followed by group singing of old Irish favorites and dancing. There will be favors for everyone.

All sons and daughters of Erin including adopted ones are cordially invited. For tickets and reservations call Joe Murphy, WY 6-0670.

At the regular Holy Name Society meeting, elaborate plans were made to make this the biggest and best event ever.

Church Of God Remodels Annex

The Church of God is remodeling the kitchen and Sunday School Annex making room for additional Sunday School Rooms which will be connected to the church.

It is hoped it will be finished by Easter Sunday. At that time all day services will be held with dinner on the grounds and an Easter egg hunt for the youngsters in the morning.

District No. 6 Presbyterian Held Here

District Number 6 of the Presbyterian of Everglades Presbytery met here last Friday at the Everglades Presbyterian Church for an all day meeting with a large group attending.

The Rev. W. W. Preston, pastor of the local church, presented the emphasis for this continental year "Go to That We May Know" followed by a colored film strip on the same theme. In this program all women are encouraged to go out into evangelistic visitation.

Mrs. J. C. High, Chairman of District No. 6 presided and called

Lenten Guest Preacher Episcopal Church To Hear Fr. Allen

The third and last Lenten guest preacher at the Episcopal Church of St. John the Apostle will be the Reverend E. L. Allen, Vicar of the Church of the Good Shepherd in Jupiter. Father Allen will preach at the service of Evening Prayer next Wednesday, March 22nd, at 8:00 p. m.

Father Allen came to this area of south Florida in April of 1958 to be Vicar of the newly-formed congregation at Jupiter. Under his leadership, the church grew from twenty-nine members to three hundred in slightly less than three years. Good Shepherd is in the midst of an extensive building program, and expects to be admitted as a (self-supporting) Parish at the next Diocesan Convention in May of this year.

Much of Father Allen's ministry is devoted to youth work, serving at youth camps and conferences. At present he is a member of the Department of Youth of the Episcopal Diocese of South Florida, and is the Priest-Chairman of young people's work in the Palm Beach Diocese. With this background, Father Allen comes to the church of St. John the Apostle as a guest preacher in Lent. His ministry will follow the Episcopal service of Evening Prayer, beginning at 8:00 p. m., Wednesday, March 22nd.

Church Of Christ Scientist

Man is sustained under all circumstances through an understanding of God's omnipotence. This theme will be emphasized Sunday at Christian Science church services.

Keynoting the Lesson-Service, "Mafar" is the Golden Text from Psalms (73:26): "My flesh and my heart failed; but God is the strength of my heart, and my portion for ever."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy this passage will be read: "Consciousness constructs a better body when faith in matter has been conquered. Correct material belief by spiritual understanding, and Spirit will form you anew." (425:23-26).

Scriptural selections will include this additional citation from Psalms (58:4): "In God I will praise his word, in God I have put my trust; I will not fear what flesh can do unto me."

TB Case Load Increases To Highest In Years

"One hundred fifteen tuberculosis patients have been admitted to Southeast Florida Tuberculosis Hospital since the first of this year, with 19 of them being from Palm Beach County," Mrs. Ruth L. Shepard, Executive Director, Palm Beach County Tuberculosis and Health Association announced.

Dr. Benjamin L. Brock, Medical Director of the hospital said, "The patient census as of today is 419 - the highest in several years. This upward trend has been apparent for several months and indications are that it will continue."

"The 5,000th tuberculosis patient was admitted to that hospital in February. When one realizes the average hospital stay for a TB patient is about nine months and the vast majority of those 5,000 patients have been treated successfully, one can see the tremendous service the TB Hospital renders this area," Mrs. Shepard concluded.

Mrs. Allen Presents Mary-Martha Program

The Mary Martha Circle of W. S. C. S. of Community Methodist Church met at the home of Mrs. Milton Barry, Mrs. F. E. Hollingsworth, gave the devotion and Mrs. Robert J. Allen, Jr., gave the program Entitled, "We Praise Thee for the Rapture." A splendid talk was given by Mrs. Allen about home for retired people provided by the Methodist churches, also about Methodist Hospitals in the U. S.

Present were Mrs. George Farnall, circle chairman, Mrs. Hollingsworth, Mrs. E. F. Saunders, Mrs. Ralph Kiddier, Mrs. W. H. Hooker, Mrs. Mildred Hancey, Mrs. W. W. Harris and Mrs. H. C. Post, president of W. S. C. S.

Ladies Auxiliary Elects Officers

Ladies of the Auxiliary of the Chosen Baptist Church elected officers for the coming year. Mrs. H. J. Martin was elected president and other officers elected were vice president, Mrs. C. S. Schuler, treasurer, Mrs. E. L. Johns, substitute treasurer, Mrs. Homer Brooks; secretary, Mrs. Irvin Glendon; treasurer, Mrs. Sylvia Sherry, Beneditance, Mrs. Helen Watson, Hospitality, Mrs. Homer Brooks, chairman, assisted by Mrs. L. O. "er, Mrs. Buford Jimmerson, and Mrs. Gaffon Jones, tract distributors, Mrs. James Anderson, Mrs. Lurline Brooks and Mrs. Elmer Scurluck.

ABUNDANT LIFE

by ORAL ROBERTS

HOW TO RECAPTURE YOUR FAITH

Many people have written me this question: "Brother Roberts, why is there so much trouble and confusion in the world today?"

My answer is the same to all. In my opinion there is much confusion and trouble in our civilization today because millions of people have lost their faith. They have stopped believing in a higher power. They have ceased to have contact with God. They are not near the living presence of Jesus Christ of Nazareth.

I have discovered that there are two kinds of people who lose their faith. The first group is made up of people who have closed their minds to the word of God's existence. They shut their eyes to the living evidence on every side—the stars, moon, sun. They do not see nature in its beauty and profusion. They refuse to realize the many evidences of God which come to us every day of our lives.

The other group is made up of people who are honest in their doubts. They have not found the proofs their minds require for them to believe fully in Christ, and in their honesty they are going about seeking some evidence, some tangible proof upon which they can hang their faith and believe in the existence of a true God.

Would it surprise you to know that Jesus is very kind and patient with honest doubters? He is concerned with men and women who have lost their

faith because they cannot find a tangible proof.

Many people miss the blessing of the presence of God because they stay away from the place of worship. Worship is divine. Many people lose their faith because they do not go where Christ manifests His glory. They fail to associate themselves with people who know Christ and in whom Christ personally dwells.

I do not mean to say that the presence of God is found only in a church. I believe that we can feel the living presence of Jesus Christ anywhere, anytime, but often it is easier to draw near to God in His holy sanctuary. After all, it is His house and there we may expect to find faith and the presence of God.

Perhaps you have lost your faith through some tragedy or unpleasant experience but have still retained your basic honesty. You want only to find something upon which you can hang your faith. I promise you that God will come to you. This is the moment of revelation, when Jesus draws the curtain of mystery aside and lets you see the tangible proof of Christ's reality.

If you want to recapture your faith, simply look about you at the evidence. See Jesus—hear Him, feel Him, let the warm and glowing feeling in your heart tell you now that there is a living God and He is good.

Sermon Topics

St. Peter's Lutheran Church, Sunday, March 19 being Passion Sunday the sermon "The Blood of Christ" will be delivered by the Vicar, the Rev. August Koerber. The divine worship service will begin at 10:30 a. m.

Mrs. Alyce Huebner of Belle Glade and H. C. Van Landingham of West Palm Beach, announce the engagement of their daughter, Carole Van Landingham to Ralph Prescott, son of Mrs. Anne Prescott of Belle Glade.

Mrs. Van Landingham is a graduate of Belle Glade High School and also of Brevard College, Brevard, N. C. She is presently employed at the Belle Glade City Hall as secretary to the City Manager.

Mr. Prescott is a graduate of the Palmetto High School and is Staff manager of the Life Insurance Company of Georgia at Coral Gables, Fla.

The wedding date has been set for April 29.

Visiting with old friends, Mr. and Mrs. James A. Finan are Mr. and Mrs. Cornwall Spencer of St. Charles, Ill.

Among those attending the showing of "Old Acquaintance" at the Royal Poinciana were Mr. and Mrs. C. L. Close, Mrs. Sam Knight, Mrs. Howard Hill, Mrs. R. E. Hotard, Mr. and Mrs. W. B. Rhodes, Mr. and Mrs. Walter, Mrs. Verda Mathewson and Mrs. Lee Eckman.

Mr. and Mrs. Glenn Williams of Eaton Rapids, Michigan, vacationing in Bradenton, Fla., arrived here Wednesday and will stay until Sunday as guests of Mr. and Mrs. Ralph Kidder.

Mrs. S. J. Taylor visited Monday with her sister, Mrs. George Seefchek at Jackson Memorial Hospital, Miami and reported the is much improved after undergoing surgery.

Mr. and Mrs. Arthur Frodge of Mt. Vernon, Ky., are the guests of Rev. and Mrs. P. E. Nelson this week.

Miss Rachel Rodgers of Tallahassee is spending a month in Belle Glade and is helping out at the Palm Beach Health Center, where she was formerly employed. She is awaiting her appointment for duty as captain and will report to Schilling AFB, Salina, Kansas.

Mr. and Mrs. Gerald Leatherman have moved from Ocala and are making their home on East Glades Terrace and Tabit Road. Mr. Leatherman is manager of Benie's Auto Supply, formerly Sasser's Auto Supply on S. Main St.

Mr. and Mrs. Bob Creech of Ft. Myers spent Thursday and Friday here with relatives and Mr. Creech also attended to business matters.

Mr. and Mrs. Louis Kirchman entertained Mrs. Kirchman's mother, Mrs. Mildred H. Mead and Mrs. Margaret R. Seardfield of Orlando during the weekend. Mrs. Mead Chapter Departmental De Florida 8 and 40 and Mrs. Seardfield Secretaire - Caissiere Departmental were entertained by Dade County Salon No. 34 Monday evening in Miami, when Mrs. Mead made her official visit.

Mr. and Mrs. George Fry of

Also her grandparents, Mr. and Mrs. Carl Collins and Mrs. John Whitaker, Mrs. Douglas Congleton, Don Barnes and Mrs. Horace Tatum.

Watch For It Unique History Of Civil War To Begin Soon

Would you like a unique, week-by-week history of the Civil War?

You can compile one yourself by clipping and pasting in a scrapbook the weekly articles of a Civil War centennial series which will begin in this newspaper during the second week of April.

Each article will tell, in a readable, interesting way, the Civil War events which occurred exactly 100 years before. Thus, by keeping a scrapbook of the articles, you will assemble a chronological history of the war unlike any other ever published.

Be sure and start your scrapbook with the first article. Watch for it!

Belle Glade Tops Clewiston 11-6

By Mike Zumpf Tuesday, March 14, Belle Glade defeated Clewiston 11-6 on the Rams' home field.

In the top half of the first inning, the Tigers scored 3 runs on 3 hits. In the second half the Rams scored 6 runs on 2 hits.

The Rams scored 1 run and hits in the second inning and the Tigers went down with nothing. In the second half of the 4th inning the Rams scored 2 runs and 3 hits. Tommy Mann was the winning pitcher for the Rams.

Clewiston finished scoring 6 runs on 5 hits and the Rams 11 runs on 8 hits.

Coach Luke Thornton says this is the best hitting team he has ever had.

Girls Golf Team Defeats Opponents

Belle Glade Girl's Golf team defeated both Ft. Pierce and Seacrest 3 to one in the March 13th matches.

Both Pat Wilkinson and Anna Marie LaChance overcame their opponents, Margie Averill and Mary Ruth Rogers had to be satisfied with a split.

Pat Wilkinson shot the best score for the girls.

Dean Glenn Speaks To Hospital Aux.

Guest speaker Dean Glenn of Palm Beach Junior College, introduced by Mrs. David Baillie, president of the Hospital Auxiliary, gave an interesting talk on the advantage of sponsoring a nurse's training scholarship at the meeting of the auxiliary Tuesday afternoon.

Upon receiving further facts about tuition and other essentials from the Dean, the auxiliary will confer with the High School Principal Pellon Morris in the selection of a worthy girl with good scholastic averages.

Mrs. Baillie also announced TV certificates are now available at the hospital for purchase, for the rental of TVs either as a gift for a friend to enjoy while in the hospital or as a donation for a patient who cannot afford the pleasure. The certificates may be purchased in advance.

Among other business the members discussed a card party in the future and also Christmas decorations for the hospital. Mrs. Glenn Smith announced the membership drive is still progressing.

Present were Mrs. L. L. Price, Mrs. Thomas Bregger, Mrs. Glenn Smith, Mrs. Victor Mulberry, Mrs. Ted Daniel, Mrs. Baillie, Mrs. E. F. Saunders, and Mrs. C. A. Bailey.

Jay-Cettes Name Two New Officers

Two officers were appointed to fill vacancies by resignation at the meeting of the Jay-Cettes Tuesday night at the home of Mrs. Hoch Cooper, president.

Mrs. Fritz Stein was named to fill the office of vice-president on the resignation of Mrs. Wallace Burke and Mrs. Jesse James was named to fill the office of secretary due to the resignation of Mrs. Bill Burke.

The group voted to sell tickets on a movie camera and projector, the drawing to be April 30 at the meeting of the District Jaycee Caucus to be held in Belle Glade.

Attending were Mrs. Horace Harris, Mrs. George Rashley, Mrs. Perry Risher, Mrs. Clarence Lee, Mrs. Jesse James, Mrs. Burke and Mrs. Cooper.

BPW Meeting March 20

The Business and Professional Women's Club will meet at the home of Miss Gloria Crosby, 140 S. E. 5th St., North, Monday, March 20 at 8 p. m.

Louise H. Roche, District 8 trustee for the State Retirement Home Committee will be the guest speaker and tell all about the BPW Retirement Home. All

are invited.

National Guard News

The 131st QM Company located on State Road 80 Belle Glade is now enlisting men from several communities including Okeechobee, and West Palm Beach. This is due to the fact that although the Fla. National Guard is now overstrength that no other units can enlist anyone. Through special permission the Belle Glade unit has been granted special permission to enlist men.

Anyone wanting to further their knowledge of their military obligation and how it can be served are invited to come out to the National Guard Armory Monday through Friday from 8 till 5 p. m. and on Monday nights from 8 to 10 p. m. We will be happy to answer any questions and furnish any information available.

Marcus L. Buckner of Pahokee, Larry Williams of South Bay and James Lowes of Belle Glade returned home this week after completing their eight weeks of basic training at Ft. Jackson, S. C.

Roy R. Kirk returned home March 10th after completing six months of active duty. John W. Chandler and Daniel L. Johnson, Jr., both of Okeechobee will leave for Ft. Jackson, S. C. for the month's tour of duty March 18th.

Lawrence C. Affron of West Palm Beach enlisted this week in this unit.

This unit has received orders from the adjutant general of the State of Florida that it will attend summer field training at Fort Lee, Virginia from July 23rd through August 6th. Plans for the encampment are now being made.

In Service

Army 21 Lt. Martin W. Cary Jr., 22, whose wife, Corinne, lives at 355 Banyan Ave., Pahokee, Fla., completed the officer airborne course at The Infantry School, Fort Benning, Ga., Feb. 24.

Lieutenant Cary received his paratrooper wings after completing four weeks of intensive ground and aerial training, and instruction in the techniques of air transportation and aerial delivery.

The lieutenant whose parents live at 118 South St., Marianna was graduated from Marianna High School in 1956. He is a 1960 graduate of the U. S. Military Academy, West Point, N. Y.

Perseverance indicates strong will; obstinance a strong won't.

Rebeks Install Two New Officers

Mrs. Maude Byers, District Deputy president, installed Mrs. Kazzie Lanier, left supporter to become a major decision for any statewide office in Florida is a cold-blooded, calculating business.

It starts early. Outline politicians will tell you frankly that they pick a candidate at least a year ahead, in the governor's campaign particularly.

They say it takes 18 months to two or more years to line up the \$500,000 or more required to run what they term "a decent race."

History proves the accuracy of this conclusion. Only one Governor of recent vintage, LeRoy Collins, has taken on the job of winning a Governor's race without tremendous pre-campaign groundwork.

Collins, of course, picked up the tremendous, well-financed but leaderless, Dan McCarthy Campaign machine which was seeking a candidate when the late Governor McCarthy died suddenly in his first year on the job.

Collins stepped into the breach after a behind scenes hassle with John McCarthy over who would get the chance to lead the "Solid Machine" support from the existing organization, won handily over the then Acting Governor, Charley J. White.

This, obviously, doesn't happen often - and historically is to nebulous a dream on which to base a campaign.

So, by watching the men who have been suggested, listening to the behind scenes discussions of this and that one's merits, and most important, by keeping a trained eye on the activities of these hopefuls in the Legislature, you'll be able to assume the role of Governor Candidate Watcher, First Class.

Here's what to look for: Pay heed to sudden changes in personality and approach by any Lawmaker. If a House member or Senator has in past Session introduced legislation on affairs of his own county or district, but suddenly blossoms into a man willing to speak out on statewide issues, he's on the side of the people, naturally, then watch him. He's more than likely going to try for a bigger job.

If a Lawmaker comes to Tallahassee with a "white hope" Legislative Program which has great voter appeal, but little chance for passage, watch him too.

If a Senator or Representative who has in the past been inclined to sit quietly in his seat, suddenly breaks into verbal eloquence on any and all subjects brought before him, he's a man to keep in mind. He's running.

Bear in mind that the 1961 Session which starts early in April will prove a hard one, not only for early birds to test their 1964 Governorship wings, but for prospective candidates for the new Congress.

For the time being, however, positions, possible Cabinet posts, quite a few judgeships, and - for House members - any number of potential aspirants for promotion to Senator, and we have a pot of political broth certain to be stirred vigorously.

Add to the above the ingredients of short funds and long budgets for state agencies, an Administration which avowedly won't approve tax increases, and great possibilities loom for potential candidates who need only recognition by the chair to talk and talk.

While on the subject, it might be well to list some of the likeliest "major" candidates for Governor next time. They include, presently, only one Legislator, but others may be expected to come along - two in particular we will name later.

Polk County Senator Scott Kelly - chairman of the newest interim committee since the 1959 Session - is a probable, since he has the ambition, the forum, the location, a seat in the Senate, and presumably, the financing.

Two former Candidates Fred O. Dickinson, Jr., West Palm Beach; and Mayor Hayden Burns of Jacksonville, also shape as likely starters in the Governor Derby.

Darkhorse (unnamed officially by anybody up to this time) must be considered Speaker of the House William W. Chappell, Jr., of Ocala - whose biggest disadvantage is that he comes from Ocala, hometown of the present Governor.

Senator Ed Price of Bradenton could be the candidate of the same general group that sponsored former Senator Doyle E. Carlton, Jr., unsuccessfully last May.

Watch these people and chances are you'll be seeing your next Governor in action.

By watching and comparing later, you will be able to win your merit badge as a Governor Candidate Selector. And if you pick a Governor early, your services might be in demand by the people who take the same gamble for a living.

Don't bet on it though.

IT TAKES MORE THAN COURAGE TO START ALL OVER

Where can you turn when everything you've known is gone? Disaster has come to you. It was always someone else's. But now it's yours.

It takes all the strength a human being can muster to face the awful things a flood, an earthquake, a hurricane or tornado bring. And it takes more than courage to start all over.

It takes organization. It takes supplies.

It takes people prepared to go into action quickly. It takes great willingness of heart. It takes someone who cares.

Red Cross is all of these things. It's your hand reaching out to help, when you can't be there yourself.

Keep Red Cross strong to serve. Your help and every American's help is needed. This year, please be generous.

GOOD THINGS HAPPEN WHEN YOU HELP

Richmond Plumbing Using Mobile Radios

Benny Richmond is installing in his own car and two service trucks, mobile radios, which give him a two-way radio network to coordinate and supervise operations.

The control station for the system, supplied by Motorola, will be located at the company office, where the antenna will rise 100 feet.

Benny says, "The radios will enable us to remain in constant contact with our service trucks and to relay rush orders. Drivers will be sent directly from one to another, eliminating the need to return for and order or telephone in."

Ray's Radio shop is installing the network system which was designed by Motorola and Mark Brothers.

Lands Of Fun

Faculty-Varsity Score "Undecided"

A basketball game between the Varsity team and Faculty members held during the sixth period last Friday, March 10th, proved highly entertaining for teachers and students alike.

Members of the faculty also formed a cheering group who brought down a number of the students as they "rooted for their own." "It was the funniest thing I ever saw" was the opinion voiced by at least one student and sanctioned by an amused group of the younger set. A score was not given... the victory was pronounced "undecided."

As one of this year's events sponsored by the Faculty to raise money toward the newly initiated Faculty Scholarship Fund, the affair proved highly successful. An estimated 400-500 attended at the 25c admission price.

U-Turns On Turnpike At Service Plazas

The chairman of the Florida State Turnpike Authority said today turnpike regulations had been amended to authorize U-Turns at all three service plazas along the Sunshine State Parkway.

Chairman John Hammer said his office had received numerous requests from businessmen and groups that would like to "meat-ondent" at the restaurants in these plazas, then turn around and exit from the same toll station at which they entered.

Up to now, the only authorized U-Turn on the entire turnpike had to be made at the Palm Beach-Lake Worth service plaza.

Turnpike patrons desiring to use this new service must have their toll cards stamped by the attendants at the service plazas for their U-Turn to be valid.

The three service plazas along the 108-mile turnpike are located at Palm Beach-Lake Worth, Pompano Beach and Stuart.

Belle Glade Fire Fighters In Special Training

This week Floyd Smith and Leon Webster of Belle Glade Fire Department are taking off for training at Florida State Fire College in Ocala.

The men began the five-day company officer training course last Monday and will return home this weekend. Three more of the eight full time fire department members will attend classes within the next few weeks at the college.

"The fire officer today must cope with many varied problems and situations," spokesman for the department explained. "This unit is designed to assist in solving these problems."

Subjects covered at the State College in Ocala are Planning, Leadership, Training Men, Coordination and Supervision, Duties and Responsibilities.

Charles Greer will attend the college the week of March 27-31, a special course on Fire Department Administration. April 7-11, A. J. Adams and George Boudien are scheduled to attend a class on Producing Fire Streams.

Chamber Official Good Will Ambass.

L. L. Price the Executive Secretary of our Chamber of Commerce has received a letter from Mr. and Mrs. Harry Lloyd, Johnston, Ohio, complimenting the community on the hospital by according them "as a member of the Boat Cruise Club."

The visitors also wanted to be remembered to Avery Bass and particularly mention the "case of corn and radishes which we distributed to other club members."

"I wonder," says the writer, "if your city realizes the effort and time you put forth as an ambassador of good will?"

Girl Scouts Present (Continued from Page One)

The refreshment committee included Mrs. Basil Cook, chairman, Mrs. F. LeGrand, Mrs. O. C. Prescott, Mrs. W. Pears and Mrs. J. Bradlock.

Rabbit Punches

(Continued from Page One) The day of the frost. Some ears about ready for harvest, has been pulled since the frost with all leaves yellow. Smaller corn that will "come out of it" will not get too far "out of it" for the good harvest and quality will hurt.

Peculiar Actions!

It is reported that the Klachman Brothers have removed more than half of a field of 240 acres of pole beans at Hillsboro Plantation.

The general cause of the frost is sometimes attributed to the wind dying down and reversing its direction towards the Lake for warm land suffered almost entirely around the Lake. A very low humidity contributed it is believed. One report of humidity as low as 15-20 percent, and generally 40 to 50 percent allows the ammonia in the raw sawgrass to hasten chilling of the winds.

Except for very young cane where the leaves are from light brown to a state of disintegration, no serious damage was suffered by the cane fields. The young cane will have its harvest delayed but no curtailment of tonnage is anticipated.

One field reported a below freezing temperature for four hours, but no serious damage to terminal buds is reported.

No one hazards a guess as to the exact bean acreage, but what was once "king" of the Glades crops has a great deal of its importance.

Paravels for harvest in beans and corn will suffer.

"Thank de Lord for what we've got left - but it sure could've been worse," one field worker put it.

Glades businessmen often feel that if they check above our men are neglecting their golf and if they should below pay they are neglecting their business.

Mrs. Gladys Williams and Mrs. Ruth Wetherworth spent Friday and Saturday in Miami, and visited with Billy Graham. They also visited the Orchid Jungle while in town.

Local Church Members Join in Graham Rally

In spite of rain 3,500 people came from Central and South Florida to hear Billy Graham, evangelist Monday night at a rally in Clewiston. When the rain increased in intensity Graham borrowed a raincoat from a policeman and continued preaching.

The evangelist held the attention of his audience in the face of the driving rain. A number of churches were represented from Belle Glade and some of the choir members joined the choir in singing. One of the members who had heard Graham in Miami said it was a privilege to hear him again.

Police Department Activities For Feb.

Chief of Police Charles D. Goodlett, in reporting activities of the police department for the month of February, stated that there were 183 arrests made of which 150 were convicted, 4 turned over to the county for prosecution, 3 turned over to the juvenile authorities and 26 dismissed for various reasons. The Chief said that there were 146 cases fingerprinted and a like number of sets of prints forwarded to the Federal Bureau of Investigation.

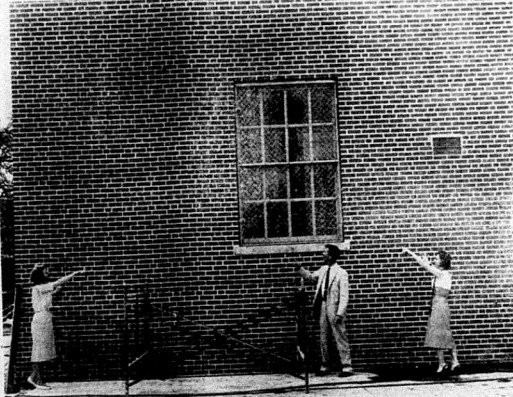

Continuing the report, Goodlett stated that there was a daily average of 75 prisoners in jail and that one escaped during the month and later apprehended. Seven traffic accidents involving more than \$50.00 were reported and 23 automobiles involved with damages estimated at \$1,557.00.

Ronald Snyder, Identification Officer, said that during the month of February, there were thirteen traffic accidents investigated with three people injured. Contributing causes of the accidents reported were following too closely, improper turning, improper backing, improper passing, failure to have vehicle under control, following too closely and running stop signs.

Educational System Aired At Rotary Meet

"The controversial Methods of our Educational System" was the subject of the talk given by Harold Zumpf at the Rotary Club (weekly luncheon meeting) Friday.

Mr. Zumpf said, "I have begun to realize that minority groups are pressuring our teachers and administrators and that a majority of plain citizens should begin to take observations to see what is being done and by taking such an interest it would help in solving some of our educational problems." The speaker pointed out that our country is faced with difficult problems in the educational field unless some changes are made. Suggesting a new outlook in the field, he favored an 8 hour school day instead of the present 6 hours and that perhaps a 12 month school year was entirely feasible. Mr. Zumpf concluded his talk with the fact that many things in the educational field need a new and fresh view point and we need to keep looking for new methods.

New Addition To Southern Bell Office Building

TELEPHONE OPERATORS, Mac Cobb and Betty Langford, with Southern Bell Manager, Bob Lee, size up new building addition here.

The new addition to the Southern Bell Central Office Building in Belle Glade is now completed and installation of the new dialing equipment is underway. The local manager for Southern Bell, Bob Lee, says the addition cost is \$30,000 and will make available some 300 new telephone numbers. Installation of these intricate mechanisms require a large number of man hours by specially trained technicians before the new equipment is ready for use, Lee reported. This expansion of telephone service is another step in Southern Bell's program to keep up with the growth of the area and to provide more and better telephone service here. Mr. Lee said.

Garden Club Elects Mrs. Halbrook

Mrs. J. P. Halbrook, Jr., was elected president of the Belle Glade Garden Club at its regular meeting Thursday afternoon at the Community Club House. Other officers on the slate presented by Mrs. C. J. Aspey, chairman of the nominating committee, were Mrs. Lonnie Warren, first vice-president; Mrs. Dora Watson, recording secretary; Mrs. Ruth Beck, corresponding secretary; Mrs. Richard Hodges, treasurer. The office of second vice-president will be filled later.

Among other business discussed with Mrs. Victor Mulberg, president presiding, the club coded to go on a garden tour in West Palm Beach, April 8, take a picnic lunch and make

Betsy Palmer Stars In Roar Like A Dove At Royal Poinciana

Betsy Palmer stars in "Roar Like A Dove," the comedy which plays at the Royal Poinciana Playhouse in Palm Beach the week of Monday, March 20 through Saturday, March 25. Luella Gear and Paul McGrath are starred with Miss Palmer in the Lesley North comedy, the ninth production of the current playhouse season.

A long-run success on the British stage, "Roar Like A Dove" served Miss Palmer as a vehicle for a tour of clock theatres last summer which resulted in new box office records at almost every theatre.

Betsy Palmer won national fame with her performances of dramatic roles on television. The beautiful blonde star added to her dramatic reputation with a much acclaimed performance in the film "The Last Angry Man." She is currently seen weekly on television's "I've Got A Secret."

Luella Gear starred at the Royal Poinciana Playhouse in "The Happiest Millionaire" during the 1958 season. The actress who achieved stardom in musical comedies, has appeared on Broadway most recently in "Four Winds" and "Sabrina Fair." Paul McGrath repeats his London performance in "Roar Like A Dove" in the Playhouse production. He is a veteran of more than a dozen Broadway plays including the recent "The Gang's All Here."

Murray Matheson and Donald Davis are featured in "Roar Like A Dove" which Christopher Hewett is directing. Paul Bertelsen is designing setting and lighting.

"Mr. Show business," a musical spectacular starring Liberace, is the season's finale at the Royal Poinciana Playhouse. A special matinee on Friday, March 31, at 3:30 p. m. has been scheduled during his engagement. Additional information may be obtained by calling Temple 3-8541 or by writing Box 231 in Palm Beach.

Commercial egg farms in Florida total 1,120 - housing 4,092,000 laying hens.

In Pakistan no city has more than 13 phones per 100 people while in Hyderabad most folk have to search long and carefully, for there's only 0.7 of phone for every 100 people. That's where the head man counts his fortune by the pecks of diamonds, rubies or other precious stones.

If these folks have any children at all, there must be a phone booth in every bath room and piazza.

In Pakistan no city has more than 13 phones per 100 people while in Hyderabad most folk have to search long and carefully, for there's only 0.7 of phone for every 100 people. That's where the head man counts his fortune by the pecks of diamonds, rubies or other precious stones.

4-H County Day Winners Named

4-H County Demonstration Day was held at the Mounts Agricultural Building, West Palm Beach, Saturday, March 11. This event climaxed National 4-H Club Week. It was attended by 100, 4-H Club members, leaders, and parents. Winners received official 4-H Ribbon covers and are eligible to participate in the 4-H District Demonstration Day to be held at Fort Lauderdale, Saturday, March 18.

Bread-making demonstration winners were: Janette Harrington, of Canal Point with an individual demonstration on Cinnamon Rolls; Barbara Gundersen and Sharon Small of Lake Worth with a team demonstration on Orange Bread. Dairy Foods demonstration winners were: Lodus Gray of Canal Point with an individual demonstration on Pineapple and Cottage Cheese Salad; Kathy Simmons and Nancy Carlin of Lake Worth with a team demonstration on Tropical Freeze.

Public Speaking Contest winners were: Donna Curry of Lake Worth, Senior Division on "Are We Law-Abiding Citizens?"; John Vallee, West Palm Beach Senior Division on "The Value of a Public Speaking Project in 4-H"; Teddy McCall of Canal Point on "4-H Achievement."

Share-the-Fun talent contest winner was: Linda Day of Lantana with her comedy act.

County song (original words to a familiar tune) winner was: Kathy Lawson of West Palm Beach.

Other demonstration winners were: Jane Drake, West Palm Beach, on individual demonstration: "Training and Caring for Your Pet"; Nancy and Kay Briggs of Lantana with a team demonstration on "Carrot and Pineapple Salad"; and Kenneth Stark of Lake Park with an individual demonstration on "Grading and Candling Eggs."

Other participants from the Glades area were: Canal Point: Acrobatics, Josephine Young, Song "Lollipop" (duet) Sandra Thomas and Edna Allen.

Belle Glade: Lucky Clovers, Twirling duet, Catherine Smith and Pam Whitlock.

Belle Glade: Lucky Clovers, Tan dance, Gole Parker.

Belle Glade: Teenage, Original words to a familiar tune, Gill Chapman, Karen Harris, Sherri Knight.

Canal Point: Other demonstration: Tossel Salad, Peggy Bittling and Nancy Harrington.

Judges for the events were: Demonstration, Mrs. Winifred Handley of West Palm Beach and Mrs. Emily Wassner of Lake Worth; Public Speaking, Mr. Charles Tucker, Assistant County Agent, and for Share-the-Fun, Mrs. Louise Reynolds of West Palm Beach.

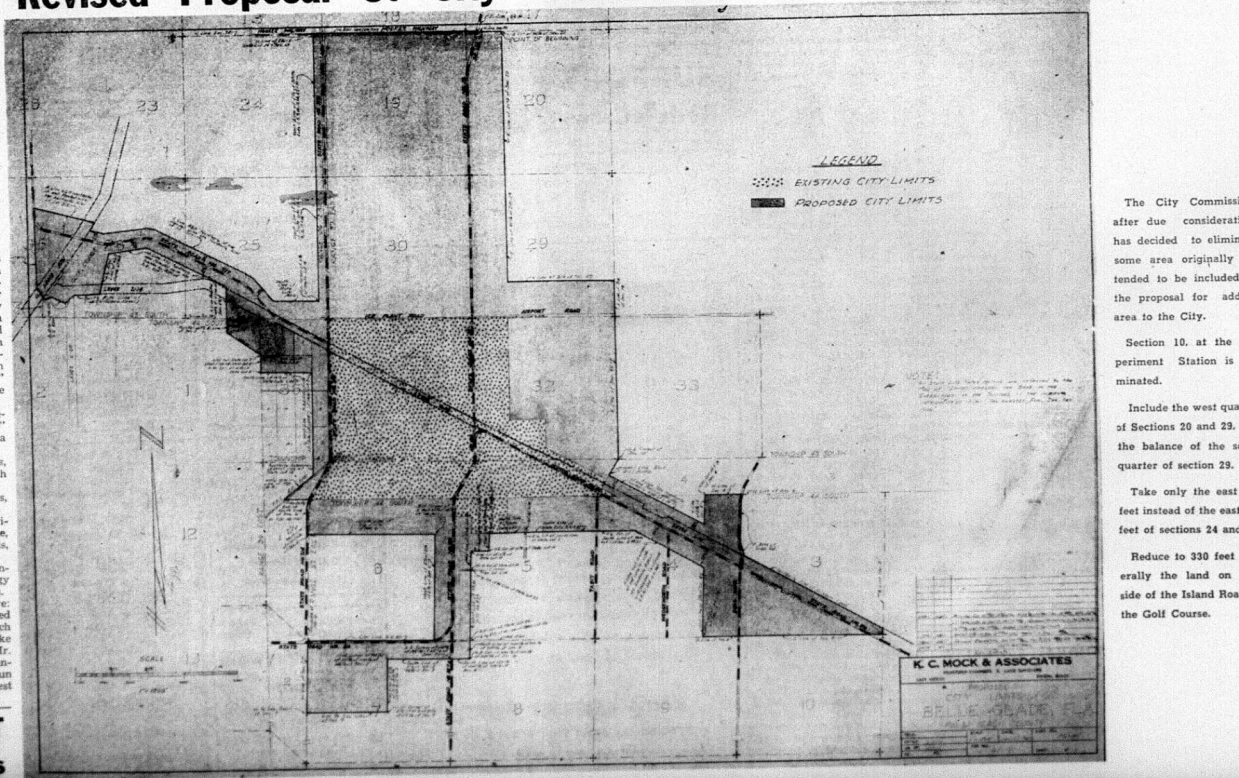

Mark the date down in your calendar . . . April 22 is the date set for the eighth annual Harvest Queen Contest. (Errors do creep in and last week the date was incorrectly reported.)

About 15 girls have secured entry blanks or signed up as of the first of the week. Grant Averill, in charge of photography and entries, says girls are coming in from all over the Glades. If the present trend keeps up this year's contest will be the largest ever.

The deadline for entries is creeping up — April 3, is the last day for turning in entries either to a Jaycee or to Mr. Averill.

Watch for photos weekly of contestants in THE BELLE GLADE HERALD.

Revised Proposal Of City Commission For Additional City Area

The City Commission after due consideration has decided to eliminate some area originally intended to be included in the proposal for additional area to the City.

Section 10, at the Imperial Station is eliminated.

Include the west quarter of Sections 20 and 23, the balance of the southeast quarter of section 23.

Take only the east feet instead of the east feet of sections 24 and

Reduce to 330 feet, generally the land on the side of the Island Road the Golf Course.

Scuba Not New

Pool Manager Tells Rotary

Harry McDonald, Supervisor of Pools and Manager of the Municipal Pool, spoke at the weekly Rotary Luncheon at the Country Club on "Scuba" (a self contained underwater breathing apparatus).

The commonly believed error that Skin Diving and Scuba Diving are one in the same was explained by a brief history of each sport. It was pointed out that a skin diver just holds his breath, while a Scuba Diver, wearing air tanks can stay under water an hour or more depending on the size and number of tanks used.

During the course of the talk, some modern Scuba equipment was shown. It was pointed out that a Frenchman from Paris, in 1868 had a patent on a device which he called diving apparatus. This was much the same as the Modern Scuba equipment used today.

Uses outlined for Scuba were shown, including underwater explorations, military uses, and salvage work plus others.

In the Glades, the speaker said, Scuba is used for diving in canals to recover wrecked automobiles, trucks and other objects as well as for repairing and cleaning of submerged pumping equipment.

Home Purchase Mtg
Above National %

Home-purchase mortgages recorded in Florida last year chalked up a total of \$1,616,754, 000, second only to the 1959 volume, the Florida Mortgage Chamber of Commerce reported yesterday.

"Although the full year was a year below 1959, December initiated a welcome trend, contrary to the national pattern. Nationally, 1960 dropped 9 per cent below 1959 with December 6 per cent below November."

"Not since 1961 has the recorded mortgage volume in Florida dropped from the previous year. Nationally there were decreases in both 1956 and 1957, the latter drop being 11 per cent. Part of the Florida decrease last year is the result of large gains

Mr. and Mrs. C. Darden of Pahokee visited Sunday with Mr. and Mrs. Murray Weeks and children.

The first known planting of grapefruit in the United States was by a Spanish nobleman in Pinellas County, Florida, in 1825.

Cox Dislikes Tag In "Face The Nation"

J. Abney Cox, Princeton grower and director of the Florida Fruit and Vegetable Association today objected vigorously to statements attributed to him by Senator Harrison Williams, who spoke on the television program "Face The Nation" last night.

Cox said that the impression given by Senator Williams that he had given his personal unqualified support of Senator Williams entire legislative program was both erroneous and in direct contrast with his views.

"I have testified to the need for reasonable housing loans for farm labor but I did not endorse any specific bill, I favored the idea that local communities that are temporarily burdened by the influx of large numbers of migrant workers' children would benefit from some type of financial aid to alleviate the strain on the teaching staff and school facilities, but I did not endorse the measure that has been introduced by Senator Williams."

"In fact I am in opposition to all of Senator Williams' legislative proposals that would impose additional Federal controls on farm workers and farmers," Cox stated.

Do You "Nibble" And/Or Eat Meals?

"Nibbling as the mood strikes you may be healthier for the heart than eating regular meals. At any rate, it has proved so for chickens, according to a report we have received from three Chicago scientists published in the current (January-February) issue of "Circulation Research," a bimonthly scientific journal of the American Heart Association," states Dr. Ralph M. Overstreet, Jr., Chairman of the Research Committee of the Heart Association of Palm Beach and Martin Counties.

With more than 300 chickens to help them, Drs. Clarence Cohn, Ruth Pick and Louis N. Katz of Michael Reese Hospital undertook to investigate whether or not meal patterns, as well as the kinds of foods eaten, might be involved in the widespread prevalence of atherosclerosis (hardening of the arteries) in our Western culture. "Civilized man, by habit, custom and working conditions, become a meal eater," Dr. Overstreet reports their findings to prove.

The Chicago team divided their birds into matched groups of nibblers and meal eaters. Nibblers were allowed free access to food 24 hours a day. Meal eaters were given the same foods but only for one hour at a time. Some meal eaters got two meals a day, some got three.

"It was found that the meal eaters exhibited double the serum cholesterol levels (fat in the blood)," Dr. Overstreet stated, "and seven times as great a tendency of coronary atherosclerosis as nibblers."

Many a guy has the habit of saying, "Well, I'm going to tell you the truth..." Makes me wonder what he has been telling me.

Benjamin Franklin once said, "Doing an injury puts you below your enemy; revenging one makes you but even with him; forgiving one sets you above him."
